

# Learning Everywhere

A learning fair connecting teachers with heritage, cultural & outdoor learning providers

This FREE event for teachers includes provocative talks, stands with interactive examples of how providers can enhance learning, and, a chance to connect with individuals and organisations from across the South West.

**M Shed, Bristol - Friday 2 October 2015**

## Teachers, Schools and Settings

**Want to find out who could help enhance your setting's curriculum?**

**Need to find new experiences for your learners and develop teacher confidence?**

Learning providers large and small will demonstrate the types of experiences you could expect when they work with your students.

Each provider, from individual local historians to national cultural organisations, will have stands where you can find out what they do, how they work and see practical examples of the type of learning activities they provide, from trying on costumes to unearthing hidden objects.

A series of free 15 minute talks designed to provoke, engage and inform will also be available.

**This event is free to teachers and is a ticketed event.**

Time: *From 14:00 – 18:00 with talks every 30 minutes*

Cost: **FREE but booking is essential via Eventbrite**

Come on your own or bring the whole staff at any point in the afternoon, however **booking is essential**.

## Providers and Organisations

**Need to better connect with teachers and schools?**

**Have an interesting perspective on learning that you want to share?**

Providers are invited to have an interactive stand to demonstrate to teachers what you do, not just what you 'offer'. It should give teachers a flavour of what children might experience when they visit or work with you, and include some sort of physical or practical element. For example: a terrarium of Newts, objects to handle, costumes to wear, maps to explore, viewing plankton under microscopes, etc.

The cost to providers is dependent on if you are an individual or a large-scale organization. Some providers may be invited to give talks to schools by the organiser, but speakers cannot also have stands.

Time: *11:00 – 18:00*

- *10:00 – 11:00 Set up stands*
- *11:00 – 13:00 Provider networking and talks*
- *14:00 – 18:00 Meet the teacher and talks*

Cost: **FREE but booking is essential via Eventbrite**
